Hi all,

Can we please address the illegal dumping at the Magnolia/170 fwy, on both sides. There are no individuals at this site, it is being reported.

Can we have LA San remove the trash under the bridge of Magnolia and the 170?

Hi Jessica

I hope you are doing well. I want to see if you can help with having the garbage on Magnolia under the 170 cleaned up. It is on both sides of the street. There are no homeless people there but lots of garbage ie food containers, random clothing, trash. Also remnants from various fires that have been set. Also both on and off ramps North and South bound have lots of general garbage. I have reported both of these issues numerous times to both 311 and Cal Trans but it is never resolved. It is really a disgrace and every time I get on and off the freeway I think I am thankful no family is coming to visit. That is pretty sad that I pay a huge amount in taxes and am ashamed of what the surrounding area of my neighborhood looks like. It's really not fair to the tax paying citizens to not have the city take care of this in a timely manner. I appreciate any help you can provide to push this thru. I have not been on Riverside under the 170 in a while but can only imagine :(

Thank you
